

23 August 1979

Admiral Turner:

1. On Friday, 31 August, you were scheduled to say good-bye to four retirees, Ted Shackley and [redacted] among them. This was tentatively scheduled for from 1000-1020, allowing five minutes for each one. Do you intend to come in at this time or should I request Mr. Carlucci to make the farewells?

2. Also, on Friday, 31 August at 1200, you are scheduled to present James R. Lilley with a DIM. Mr. Lilley has a great desire to have you and Mrs. Turner present and would appreciate it very much if you could both find time after the ceremony to attend his luncheon in the Executive Dining Room.

*I'll go not Mrs T*
